Nick has spent over a decade as an agency owner, and scaled multiple agencies past \$800k per month. He understands the struggle of burning out working 60+ hour weeks every week, and wants to help agency owners get out of the trenches. Nick works with other agency owners who are ready to finally see their hard work pay off with more profit, and less hours spent at their computers.

**Nick's areas of expertise include:**

- The Missing Middle - Why your business can't scale
- Why middle management is the #1 killer to scaling your business
- How to evolve from marketing bro to business owner
- Scaling businesses from 7-8 figures & more and how to make it happen
- How to 3X your client retention and profits
